MISCELLANEOUS.

[2578]

AT THE GOVERNMENT HOUSE AT OTTAWA, Wednesday, the 8th day of July, 1896.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

ON a Memorandum dated 30th June, 1896, from the Minister of the Interior, stating that Mr. J. L. Hughes, of Cherry Creek, British Columbia, rancher, has applied for permission to purchase the following lands situated in Township 19, Range 19 west of the 6th Meridian, viz.:—The undisposed of portions of the west half of Section 35, containing 196 acres, the available portions of the north half and south-east quarter of Section 33, together containing 245 acres, and the south-west quarter of Section 34, containing 160 acres, making a total of 601 acres. Mr. Hughes, who is the proprietor of adjacent lands, which he acquired from the Provincial Government, is extensively engaged in the business of stock-raising and requires the land he now applies for in connection with that business.

The Minister is of opinion that it is advisable to authorise a sale of the lands to Mr. Hughes.

The Minister further states that Mr. Hughes claims to have applied for the lands to Mr. Fawcett, who surveyed them for the Dominion Government, prior to 1889, in which year the price of Dominion lands in British Columbia was increased from \$2.50 to \$5.00 per acre, and he therefore contends that he should not be required to pay more than the rate existing at the time he made that application.

The Minister cannot recognize that application as giving Mr. Hughes any right to purchase now at a less rate than the existing price.

The Minister further states that Mr. William Pearce, the Superintendent of Mines, reports that these lands are not worth more than \$2.50 per acre, the price at which a large tract in the same locality was sold to Mr. W. J. Roper under authority of the Order in Council of 30th June, 1894.

The Minister therefore recommends that he be authorised to sell to Mr. J. L. Hughes the above described lands at and for the price of \$2.50 per acre, anything in the existing regulations for the disposal of lands in the railway belt, British Columbia, to the contrary notwithstanding, the sale to be on the usual terms, namely, one-fourth down and the remainder in three equal annual payments with interest on the unpaid balances at the rate of six per cent. per annum.

The Committee advise that the requisite authority be granted.

Clerk of the Privy Council.

## NANAIMO CITY BY-LAWS.

## A BY-LAW

To authorise the Sale of Lands within the City of Nanaimo upon which Taxes have been due and in arrears for two years.

WHEREAS it is expedient that all lands or real property within the limits of the Corporation of the City of Nanaimo upon which municipal taxes have been due and in arrears for two years shall be sold, and the proceeds applied in the reduction of such taxes:

Be it therefore enacted by the Municipal Council of the Corporation of the City of Nanaimo as follows:—

1. The Collector of the Municipal Council of the Corporation of the City of Nanaimo is hereby authorised and directed, whensoever taxes on any land or real property have been due for two years preceding the current year, to submit to the Mayor of the City of Nanaimo a list, in duplicate, of all the lands or real property liable, under the provisions of this by-law, to be sold for taxes, with the amount of arrears against each lot set opposite to the same, and the Mayor shall authenticate such list by affixing thereto the seal of the Corporation and his signature, and one of such lists shall be deposited with the Clerk of the Corporation and the other shall be returned to the Collector with a warrant thereto annexed, under the hand of the Mayor and the seal of the Corporation, commanding him to levy upon the land or real property for the arrears due thereon, with his costs.

2. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands.

3. The Collector shall prepare a copy of the list of lands or real property to be sold, and shall include therein, in a separate column, a statement of the proportionate costs chargeable on each lot for advertising and for the commissions authorised by this by-law to be paid to him, and shall cause a copy of such list to be printed, for a period of one month preceding the date of such intended sale, in some newspaper published in the City of Nanaimo.

4. The advertisement shall contain a notification that unless the arrears and costs are sooner paid he will proceed to sell the lands or real property for the taxes on a day, a time, and at a place named in the advertisement.

5. The Collector shall, at least two months before the time of sale, also deliver to or deposit in the post-office to the address of the owner of such property which is to be sold for taxes as aforesaid, or to the agent of such owner, a notice in writing of the amount of taxes due, and that the property is to be sold for arrears so due; and in case the address of the owner or agent is unknown, a notice to the same effect shall be posted upon the land intended to be sold, and also, at least two months before the time of sale, post a notice similar to the advertisement in some convenient and public place, that is to say, at the Council Chambers, Nanaimo.

6. The day of sale shall be the thirty-third day after the first publication in a newspaper of such list, exclusive of the day of such publication, except in case the said thirty-third day shall fall on Sunday or holiday, in which case such sale shall take place on the following day at the Council Chambers, in the City of Nanaimo, and shall begin at 12 o'clock noon.

7. If at any time appointed for the sale of the lands or real property no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the land or real property as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first, and in offering such lands or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be *prima facie* evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land or real property for the full amount of arrears of taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than one week and not later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such lands or real property for any sum he can realize, and shall accept such sum in full payment for such arrears of taxes.

10. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money the Collector shall forthwith again put up the property for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the

Clerk of the Corporation, and shall at the same time pay in the proceeds to the Treasurer of the said Corporation.

12. The Collector shall be entitled to five per centum commission upon the sums collected by him as aforesaid.

13. This by-law may be cited for all purposes as the "Nanaimo Real Estate Tax Sale By-law, 1896."

Passed by the Municipal Council on the 24th August, 1896.
